

Alexander Dawson: *Web Professional*

WEB DESIGNER • WEB DEVELOPER • WEB CONSULTANT • WEB SPEAKER • WEB WRITER

Professional history

Profile

I'm an award winning 28 year old, self-taught, freelance web professional, writer, published author and recreational software developer from Brighton (UK) with 14 years of industry experience. I create engaging user-experiences through my business (HiTechy) and regularly write articles for highly respected publications.
